OFFICE OF PETITIONS

Dear Sir:

Applicants respectfully petition for withdrawal of the referenced application from issue under 37 CFR 1.313(c) in order to allow certain prior art to be considered on the merits. The facts in support of this petition follow.

On March 8, 2005, a Notice of Allowance and Fee(s) Due form was mailed by the Commissioner in connection with the above-identified application. On April 6, 2005, applicants forwarded payment of the aforesaid fees to the Commissioner in order to obtain allowance of the application. Subsequently, it was determined that certain references located during a prior art search conducted on the PCT cognate of the application had not been considered by the examiner on the merits. As a consequence, applicants now petition the Commissioner requesting withdrawal of the application from issue so that the aforesaid prior art can be considered on the merits by the examiner.

Should the petition be granted, applicants intend to file a RCE under 37 CFR 1.114, submitting therewith an Information Disclosure Statement containing a PCT search report and prior art identified therein not previously considered by the examiner.

For all of the foregoing reasons, applicants respectfully request that the instant petition be granted.

The Commissioner is authorized to charge any petition and/or extension of time fees pursuant to 37 CFR 1.17(a)-(d) or (h) (or any other CFR section) associated with this
